June 3rd, 2020 - The relationship between inflation and unemployment: A theoretical discussion about the Phillips curve.

Abstract: Inflation and unemployment are integral parts of a market economy with socioeconomic consequences for the population of the countries in which these processes occur for most of the able-bodied population.

Monetary policy is a set of demand-side economic policies through which the central bank of a country acts on the amount of money and interest rates in order to influence on the inflation levels, output, and unemployment in the economy. Being the interest rate the link binding money and inflation.
ACTUAL INFLATION DID DECLINE MODESTLY DURING THAT PERIOD DECREASING FROM AN AVERAGE RATE OF ABOUT 2 BETWEEN 2003 AND 2007 TO ABOUT 1.4 ON AVERAGE BETWEEN 2008 AND MID 2015. HOWEVER, BASED ON PREVIOUS EXPERIENCE WITH UNEMPLOYMENT GAPS OF THIS SIZE AND INFLATION FORECASTS BASED ON THE NATURAL RATE MODEL, MANY ECONOMISTSANTICIPATED A MORE DRAMATIC DECREASE IN THE INFLATION RATE.

-June 7th, 2020 - The two main goals of economic policymakers are low inflation and low unemployment, however, often these goals conflict. For instance, if the policymakers decided to use monetary or fiscal policy to expand aggregate demand then this would move the economy along the short-run aggregate supply curve to a point of higher output and a higher price level.

-June 6th, 2020 - Reducing unemployment and stimulating the economy has been one of the biggest if not the only concerns of governments since the dawn of economic science. Economic policies have been very much theorized and by many doctrines as a result, a rich and plentiful literature has been developed on this topic.

-May 24th, 2020 - A period of rising inflation and unemployment is called a stagflation phase. Period in which inflation remains high while...
unemployment increases finally a recovery phase period in which inflation and unemployment both decline is a period in which both unemployment and inflation fall as from 1975 to 1976 1982 to 1984 and 1992 to 1998
