Deep diving and elegant, wide sargasso sea meets beloved meets alias grace margaret atwood takes the gothic genre the confessions of frannie langton book reviews books in

May 26th, 2020 - the confessions of frannie langton is in a similar vein an otherwise charming debut that doesn't quite earn its length an original and evocative tale with elements of gothic fiction its story bees unwieldy in later parts and the mysteries that are so skilfully established in the early chapters are buried under the weight of too much action.

May 23rd, 2020 - the confessions of frannie langton is a breathtaking debut a murder mystery that travels across the atlantic and through the darkest channels.
of history a brilliant searing depiction of race class and oppression that penetrates the skin and sears the soul it is the story of a woman of her own making in a world that would see her unmade" read an extract from the confessions of frannie langton
